

# Pints with A PURPOSE

Last Wednesdays of Jun-Oct

At Imagine Nation Brewing Co

This summer, the Poverello Center is thrilled to launch Pints with a Purpose! The last Wednesday of each month through October, we are hosting happy hours at Imagine Nation Brewing Co to help our community get to know the programming at the Poverello, and share ways people can support!

We invite you to join hands in making a meaningful impact by sponsoring Pints With A Purpose.

With a shared vision of transforming lives and creating a brighter future, we are seeking compassionate partners like you to support this initiative.

To sponsor an event or for more information, contact Poverello Director of Development, Stephanie Dolan at [sdolan@thepoverellocenter.org](mailto:sdolan@thepoverellocenter.org) or (406) 541-2016.
